ReNYlet to Bureau, 3/14/60, captioned as above;
CG letter to Bureau, 1/21/60, and Bureau letter 2/27/60,
both captioned, "CPUSA, INTERNATIONAL RELATIONS; IS-C".

Attached hereto are six copies of letterhead memorandum, dated and captioned as above, and six copies of a reliability memorandum with sufficient copies of each for interested offices.

NY letter 3/14/60 advised that according to
FOIA(b) (7) - (D) FAYE APTHEKER was leading a group tour to Europe and the Soviet Union departing from NY on 4/17/60.

FOIA(b) (7) - (D) furnished the attached information to SA ALBERT E. FALLER and advised that a folder entitled, "1960 Theater and Ballet Tours" to Soviet Union was distributed by American Travel Abroad, Inc., a subsidiary of Consolidated Tours, Inc., 250 West 57th Street, NYC, a wholesale agency, to three thousand travel agencies throughout the country. Therefore, the tourists residing outside the New York area would likely have been solicited by out of town agents, whereas, those residing within the NY area were solicited by the subject in her capacity as a travel agent. The source does not know whether or not the subject's association with these individuals is other than of a professional nature.

Bureau letter 2/27/60, referencing CG letter 1/21/60, with copies for the New Haven and Chicago Offices, advised that to protect the source, the Bureau was making no dissemination at that time of the information, which follows, relative to an unofficial trade union delegation to Russia. NY and New Haven were instructed to obtain corroborating information relative to the travel by these subjects mentioned in CG letter 1/26/60. On receipt of any information showing that these persons plan to travel to Czechoslovakia and the Soviet Union, a letterhead memorandum should be transmitted to the Bureau for dissemination. The memorandum should bear the caption of the individual case.

Chicago was instructed to be alert for further data concerning the matter set forth in Chicago letter. This information is to be furnished to the Bureau promptly and advise whether dissemination may be made without it jeopardizing the source thereof.

CG letter to Bureau 1/21/60, reflected that according to FOIA(b) (7) - (D) on 1/19/60, IRVING POTASH, National Trade Union Secretary and member National Committee, CPUSA, and MORRIS CHILDS, member, National Committee, CPUSA, were heard to engage in a conversation to the effect that plans were being made for an unofficial trade union delegation from the United States to visit Russia by 5/1/60, for the annual May Day celebration. The delegates, travelling as tourists, raised sufficient funds to pay their fares as far as Prague, Czechoslovakia. They were expected to be guests of trade unions in Czechoslovakia and Russia even though an unofficial delegation.

According to POTASH the composition of the delegation, at that time, was not the broadest possible and no announcements will be made concerning this delegation. POTASH inquired as to what the delegation should do about visas. CHILDS replied that the visas could be obtained through travel agencies in the United States, but to guarantee that there would be no hitch in the plans, he would attempt to forward the delegates names to the Soviet Union, if POTASH would give him the names. POTASH named the following as being considered for this delegation but that he did not as yet have a complete list:

ALEX KOLKIN, chairman of delegation
PEARL KOLKIN
SAUL KRES
PEARL KRES
M. LOPEZ
MINNIE LOPEZ
CONSTANTINE RADZIE

NY 100-110888

MANYA RADZIE
EDWARD STARK
ROSE STARK
STEVE ALEXANDERSON and wife

On 4/2/60, [FOIA(b)(7) - (D)] advised that Consolidated Tours has handled the visas for the above individuals, with the exception of STEVE ALEXANDERSON and wife. The travel plans of these individuals will be obtained by the source.

It is to be noted that on 3/4/60, [FOIA(b)(7) - (D)], who has furnished reliable information in the past, advised that on 3/4/60, LOUIS WEINSTOCK contacted LEON (TABACK) regarding LEON's trip to Russia. WEINSTOCK inquired why LEON did not mention that ARBOR (PH) was one of his co-passengers. LEON stated that ARBOR (PH) was not his co-passenger but is in "that group". WEINSTOCK stated he heard about it from APTHEKER's office, when, she stated that ARBOR (PH) is travelling with TABACK to the Soviet Union. WEINSTOCK said that LEON should have told him because it puts a different light on a number of things and he, WEINSTOCK, would not like ARBOR (PH) to get any privileges that LEON is going to get. LEON explained that ARBOR (PH) was doing business with Mrs. APTHEKER before he, LEON, was. LEON does not think it is important that ARBOR (PH) is going to Europe with him. WEINSTOCK stated, "I want you to be prepared that in case when you guys arrive there too, I don't want him to be given... You see these Russians don't know the difference and he is going to say he's a Secretary of the Painter's Union...but I don't want him because I tell you what I'm gonna do. I will prepare those guys - to know who he is." WEINSTOCK explained why he does not like ARBOR (PH) by saying there is only one guy who expelled us (from the union, apparently) and that's Arbor". LEON said ARBOR (PH) is going over to see his mother and "by hook or crook" he went to Washington and saw the "Ambassador from Moscow and he had a personal interview with the guy." LEON added that ARBOR (PH) told him the Ambassador in Washington, "promised him he would do everything he can to get him a visa. He wanted to get a direct visa to go where his mother is. So far he did not succeed." LEON

NY 100-110888

explained that ARBOR (PH) told him that for the past six months or year, he, ARBOR (PH), has been trying to get a direct visa.

It is to be noted that a MORRIS ARBER is included in the FAYE APTHEKER group, but from the above information does not appear to be part of the unofficial trade union delegation.

The above information regarding the unofficial trade union delegation was set out in this letter since it is possible that in addition to LEON TABACK there are others travelling with the APTHEKER group who may be members of the delegation.

FOIA(b)(7) - (D) will determine if there are any others in the APTHEKER group, in addition to LEON TABACK and TILLIE TABACK, who might be planning to separate from the group. Since this is a group tour all participants are required to accompany the group as far as Moscow, thereafter some deviation from the group schedule may be made. According to the source this is occasionally done by one or two persons in each group.

WFO is requested to review passport records on the attached individuals, with the exception of FAYE APTHEKER and advise the appropriate offices under the individual case caption by letterhead memorandum form.

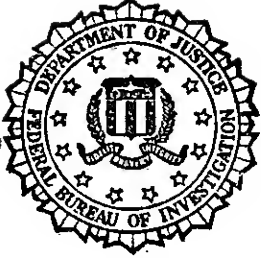

Los Angeles, New Haven and San Francisco Offices are requested to prepare letterhead memoranda under the individual case captions for each individual residing in their division.

NY will also prepare a letterhead memorandum under the individual case captions for the names listed in the APTHEKER group and for those furnished by FOIA(b)(7) - (D) above.

FOIA(b)(7) - (D) was used to characterize FAYE APTHEKER.

NY 100-110888

The attached was classified, "Confidential", since data reported from [FOIA(b)(7) - (D)] could reasonably result in identification of confidential sources of continuing value and compromise future effectiveness thereof.

"Political Affairs"

The April, 1959 issue of "Political Affairs" is self-described as a monthly magazine presenting the viewpoint of Marxism-Leninism.

The same publication identified itself as "A Theoretical and Political Magazine of Scientific Socialism."

While under direct examination as a defense witness in the United States versus Elizabeth Gurley Flynn, Et. Al, Criminal Docket C 136-7, United States District Court for the Southern District of New York, on October 20, 1952, Elizabeth Gurley Flynn testified that "Political Affairs" is the theoretical organ of the Communist Party of the United States and has been so since the magazine was "set up" in 1945.

"The Worker", July 13, 1958, listed Elizabeth Gurley Flynn as a member of the National Executive Committee of the Communist Party, United States of America, and National Field Organizer.
